Continuing Education

Nursing

This conference has been awarded 5.0 nursing contact hours.

The Central Jersey Family Health Consortium is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Provider number P92-8/14-17. Provider approval is valid through August 31, 2017.

In order to receive a contact hour certificate, the participant must sign in, attend the entire program, and complete an evaluation form.

Disclosures

There is no commercial or non-commercial support for this continuing nursing education activity.

Planners and speakers do not have any financial disclosures to make.

Goal

The goal of this program is to develop, maintain, and improve the competence and skills of pediatric nurses and other healthcare professionals.

Objectives

1. Define treatment modalities for children with anxiety and depression.
2. State the rational for the major changes within the 2016 ADA clinical practice guidelines.
3. Outline treatment of children with a head injury.
4. Recognize ADHD in the primary, acute, and school setting.
5. Discuss the current guidelines for assessment and treatment of pediatric patients with asthma across the healthcare continuum.
