

NJBC - General Meeting Call-In policy

In-person attendance at quarterly NJBC General Meetings and continuing education activities is strongly suggested.

A call-in phone line will be made available to members who are not able to be physically present for the general meeting, when possible*.

Call-in requirements:

- After introductions, call-in members are to place their phone line on *“mute” or “listen only”*
- Listener questions or comments during the meeting must be submitted via email or text to a designated person(s) present in the meeting room. Email/text information will be provided at the start of the general meeting. Listener questions will be actively monitored and addressed during the meeting.
- A call-in line is *not available* for any continuing education activities planned following the general meeting (i.e. webinars or guest speaker).

*The NJBC cannot be held responsible for technical difficulties that may prohibit or interrupt call-in services.
