

Excellence in Patient Care: Overcoming Breastfeeding Challenges

Thursday, April 30 · 8:00 AM - 4:00 PM

Hackensack Meridian Health JFK Medical Center
Conference Center
70 James Street, Edison, NJ

Target Audience: doulas, lactation consultants, labor and delivery, mother/baby, and NICU nurses

Learning Outcomes:

Knowledge/Skill: At the conclusion of the program, the participants will self-report knowledge gain related to breastfeeding support and intent to change practice by including information or tools presented into professional practice.

Practice: On a three-month post-program evaluation, the participants will report on the changes they have incorporated into practice as a result of attending the continuing education program.

Continuing Education Contact Hours: This program has been awarded 6.0 contact hours. The Partnership for Maternal and Child Health is an approved provider of continuing nursing education by NJSNA, an accredited approver, by the American Nurses Credentialing Center's Commission on Accreditation #P194-2/2021.

Accreditation refers to recognition of continuing education activities only and does not imply approval or endorsement of any commercial products discussed/displayed in conjunction with the educational activity by the Partnership for Maternal and Child Health of Northern New Jersey, NJSNA, or ANCC.

Application has been made for IBCLE CERP recognition for this program.

Disclosures: The planners and speakers do not have any conflicts of interest to report for this activity.

Successful Completion: To receive contact hours or CERPs for this program, the registrant must sign in on the sign-in sheet, attend the entire program, and complete and submit an online program evaluation form. Certificates of attendance will be generated electronically within one week of the close of the online evaluation period. Three months following the program, attendees will receive and are requested to complete and submit a follow-up online survey to measure long term impact of the education.
