

Strategies to Promote, Protect and Support Equitable Breastfeeding in the Black Community

Provided by the Partnership for Maternal and Child Health of Northern New Jersey

Monday, April 12, 2021

2:00-3:00 pm EST

Live Webinar

Presenters

Nastassia K. Davis, DNP, MSN, RN, IBCLC

Nastassia Davis is a registered nurse, International Board Certified Lactation Consultant (IBCLC), and a mother of four. She is the owner of Latch Breastfeeding and Lactation services and founder of The Perinatal Health Equity Foundation, a non-profit advocacy and support organization dedicated to eliminating racial disparities in Black infant and maternal health. In addition to her public health commitments, Nastassia serves as assistant professor of Nursing at Montclair State University.

Melanie Hutton, CLC

Melanie Hutton is a Certified Lactation Counselor and Birth Doula with over eight years of experience in maternity units, intervention programs, and healthcare centers. She facilitates group meetings and offers individual counseling to families in need.

Target Audience

Perinatal nurses, lactation consultants, doulas, and other health professionals who support breastfeeding families

Learning Outcome

At the conclusion of the program the participants will self-report knowledge gained related to supporting breastfeeding in the Black community and intent to change practice by including information or tools presented into professional practice.

Disclosure/Commercial Support

The planners and speakers do not have any conflicts of interest to report for this activity. There is no commercial support for this activity.

Successful completion

To receive contact hours for this continuing education program, the registrant must sign-in for the webinar, attend the entire presentation and complete and submit an evaluation. A certificate of completion will be distributed within two weeks of receipt of the evaluation.

Continuing Nursing Education Contact Hours

This program has been awarded 1.0 contact hours.
